

## SNRC Workshop Outcomes & Faculty List January 30<sup>th</sup>, 2017

The overarching workshop and conference objectives are to:

- Advance research and evidenced-based practice knowledge and skills in clinical settings
- Support networking for the clinical community
- Exchange information about evidence based practices that promote improved patient care outcomes.

### 08:00 Creating a Curiosity Stream

Deena Young Guren, MSN, RN, CNS-CP, CNOR, Perioperative Clinical Nurse Specialist, University of Washington Medical Center, Seattle, WA

1. Identify approaches nurses could use to promote evidence based practice in any clinical setting
2. Discuss why nurses would choose to practice with this paradigm
3. Apply content from this presentation to your own clinical setting

### 09:00 Let's Do a Study off the Cuff (2 part presentation-results and conclusion this afternoon)

Elizabeth Bridges, PhD, RN, CCNS, FCCM, FAAN, Clinical Nurse Researcher, University of Washington Medical Center, Associate Professor, University of Washington School of Nursing; Peg Snyder, MN, RN, Clinical Nurse Educator, University of Washington Medical Center; Sara DeRosier, RN; Joanne Pinner, RN-BC, MSN, GCNS-BC, Clinical Nurse Educator, University of Washington Medical Center, Seattle, WA, Lenise Taylor MN, RN, AOCNS, BMTCN, Seattle Cancer Care Alliance, Oncology CNS

1. Briefly describe BP measurement question, study design and conclusion

### 09:30 Ace that Abstract

#### Concurrent Session 1-1

Leilani Saiki LTC Leilani A. Siaki, PhD, FNP-BC, FAANP Deputy Chief, Center for Nursing Science and Clinical Inquiry, Madigan Army Medical Center, WA

1. List 2 important concepts to keep in mind when writing
2. Identify:
  - 1 barrier to good writing
  - 1 facilitator of good writing

### 09:30 Survey Development

#### Concurrent Session 1-2

Carole Hooven, PhD Research Assistant Professor, Psychosocial & Community Health, University of Washington School of Nursing, Seattle, WA

1. List steps involved in developing a reliable, valid measurement tool.
2. Identify 2 key issues in writing items for a survey.

### 10:45 Tips on Doing a Library Search

#### Concurrent Session 2-1

Andrea Ball, MLS, MSIM, Clinical Librarian and Trainer, University of Washington Health Sciences Library, Seattle, WA

Frances Chu, MSN, MLIS, Collections and Clinical Liaison, University of Washington Health Sciences Library, Seattle, WA

1. Formulate a research question using PICO.
2. Describe 2 appropriate resources for a related literature search.

<p><b>10:45 The Patient's Voice: What We Do with What They Say</b>  <i>Donna Berry, PhD, RN, AOCN, FAAN, Dana-Farber Cancer Institute; Director</i></p> <ol style="list-style-type: none"> <li>1. Discuss the process and structure of a successful Evidence-based Practice program in cancer care.</li> <li>2. Identify 2 effective interventions for managing common patient-reported symptoms.</li> </ol>	<p><b>Concurrent Session 2-2</b></p>
<p><b>12:30 "CSI" Clinical Scene Investigators- Panel Presentations and Discussion</b>  <i>Moderator: Joya Pickett, PhD, ARNP-CNS, CCNS, ACNS-BC, CCRN, ICU CNS, Swedish Medical Center</i></p> <p><i>Speakers: Rebekah Mars, BSN, RN, CCRN, Clinical Nurse Educator, Harborview Medical Center; Amelia Schmitt, BSN, RN, Clinical Staff Nurse, Madigan Army Medical Center; Stefanie Fike, BSN, RN, Clinical Staff Nurse, Madigan Army Medical Center; Jonna Rogers, RN; Rebecca Clements, BSN, RN, Clinical Staff Nurse, Regional Hospital; Alisa Bowman, RN, CCRN, ICU Staff Nurse; Sarah Gattis, RN, CCRN, ICU Staff Nurse</i></p> <ol style="list-style-type: none"> <li>1. Discuss 1 barrier to employing an evidence-based project and strategies for overcoming.</li> <li>2. Identify 1 type of outcome measurement that can be used in evaluating an evidence-based project.</li> </ol>	
<p><b>14:00 Create a Compelling Poster</b>  <i>Lenise Taylor MN, RN, AOCNS, BMTCN, Seattle Cancer Care Alliance, Oncology CNS</i></p> <ol style="list-style-type: none"> <li>1. Explain importance of and 2 methods for portraying project outcomes.</li> </ol>	<p><b>Concurrent Session 3-1</b></p>
<p><b>14:00 Essential Stats for Nursing Research</b>  <i>Kristen Carlin, MPH, Seattle Children's Research Institute, Biostatistician</i></p> <ol style="list-style-type: none"> <li>1. Briefly describe the difference between statistically significant and clinically important outcomes.</li> <li>2. Interpret 2 basic statistics from the nursing research literature.</li> </ol>	<p><b>Concurrent Session 3-2</b></p>
<p><b>15:10 Plunge into Publishing</b>  <i>Mary McCarthy, RN, CNSC, MN, PhD, Nurse Scientist, Madigan Army Medical Center, WA</i>  <i>Lauren Sacco, DNP, ARNP, NNP-BC, Neonatal Nurse Practitioner, Seattle Children's Hospital</i></p> <ol style="list-style-type: none"> <li>1. Identify 1 challenge and 1 reward to anticipate with publishing research or EBP findings.</li> <li>2. Briefly describe one example of a speaker's experiences.</li> </ol>	<p><b>Concurrent Session 4-1</b></p>
<p><b>15:10 Mentorship-Paying it Forward</b>  <i>Cindy Sayre, PhD, ARNP, Associate Administrator, Patient Care Services, University of Washington Medical Center, Seattle, WA</i>  <i>Lindsay Boyd MS, RN, Critical Care Nurse Educator, Overlake Hospital Medical Center</i></p> <ol style="list-style-type: none"> <li>1. Describe 2 benefits of mentorship.</li> <li>2. Describe 2 barriers to mentorship.</li> </ol>	<p><b>Concurrent Session 4-2</b></p>

**Required Disclosures:**

**1. Objectives:**

The SNRC Workshop and Conference general objectives are:

1. Advance research and evidence-based practice in clinical Settings.
2. Support networking for the clinical community.
3. Exchange information about evidence based practices that Promote improved patient care outcomes.

**2. Notice of Requirements for Successful Completion of this CNE Activity**

1. Sign the Verification of Attendance Form at the registration desk
2. Attend the entire conference.
3. Submit completed online evaluation.

**3. Presence or Absence of Conflict of Interest for Planners & Faculty/Content**

**Specialist(s):**

- There is no disclosure of conflict of interest by any conference planner or presenting faculty
- All presenters have attested that their presentations will provide a balanced view of therapeutic options and will be free of promotional bias or endorsement of products.

**4. Commercial Support:**

While there is vendor support for this conference, vendors have not been involved in the planning of this conference nor in the selection of the faculty.

**Nursing contact hours**

**7.0** nursing contact hours will be provided by **Swedish Medical Center Clinical Education and Practice / PA-57** is an approved provider of continuing nursing education by the Washington State Nurses Association Continuing Nursing Education Approver (A-CNE), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
