

9TH ANNUAL SEATTLE NURSING RESEARCH CONFERENCE SCHEDULE OF POSTER SESSIONS

0800-0900 AM POSTER SESSION

1. **Effective Post-Op Education: The Journey Begins in the Pre-Admission Testing (PAT) Clinic**
La Cava, W., Forest, J., Sellers, K., Tunkara, S., UW Medicine Valley Medical Center, Renton, WA
2. **Go SAMs – Improving the Learning Experience of Post-Transplant Patients**
Santos, T., Jepsen, B., Karlstad, M., Schill, K., Spacciante, L., Harris, N., University of Washington Medical Center, Seattle, WA
3. **Orthopaedic Fracture Guidebook: Decreasing Anxiety Among Fractured Patients through Nursing Education**
Fratis, S., Rosenbach, M., Providence St Peter Hospital, Olympia, WA
4. **Wait One Year Program: A Postpartum Educational Intervention Designed to Reduce Recurrent Preterm Birth**
Benedetti, T., Pere, J., Rasmussen, S., Thomas, J., Weiss, L., University Of Washington Medical Center, Seattle, WA
5. **Standing in their Shoes: Can We Make Diabetes Care More Effective by Understanding the Patient's Perspective?**
Loebs, K., Corl, D., Whitney, J., University of Washington Medical Center, Seattle, WA
6. **Decreasing Catheter Associated Urinary Tract Infection: Does Modality and Delivery of Education Impact Outcomes?**
Hayes, C., Makarewicz, V., UW Medicine, Seattle, WA
7. **Improving the Experience of New Flight Nurses at Airlift Northwest by Establishing a Mentorship Program and Providing Support to the Preceptor/Mentor Group at Airlift Northwest**
Davidson, L., Carlisle, M., Airlift NW, Seattle, WA
8. **Changing a Culture with an RN Residency Program**
Derezes, A., McElroy, A., Strand, D., Bismeyer, H., More, J., Altaras, J., Adams, K., Arnone, M., DeVolt, M., Furrer, M., Bartley, P., Thomas, R., Schultz, R., Kelley, S., Jones, S., Swedish Medical Center, Seattle, WA
9. **~~Implementation of Stroke Education for Rehabilitation Nurses~~**
~~Langwell, W., University of Portland, Portland, OR – WITHDRAWN~~
10. **Interventions to Reduce Nuisance Alarms in the Intensive Care Unit**
Boyd, L., Haverland, A., University of Washington Medical Center, Seattle, WA
11. **Alarm Fatigue in Nursing: Consequences of Clinical Audio Interruptions**
McCadam, B., Kelly, M., Marsh, L., VA Puget Sound Health Care System, Seattle, WA

**9TH ANNUAL SEATTLE NURSING RESEARCH CONFERENCE
SCHEDULE OF POSTER SESSIONS**

12. **Quiet Time: Providing a Restful and Healing Environment**
Mihalyne Korosi, G., Rhodes, L., Upenieks, V., Korosi, M., Swedish Medical Center, Seattle, WA
13. **Rapid Progress Improvement for Asphyxia Infants in the Neonatal Intensive Care**
Millar, A., Hou, S., Lingen, L., Anderson, M., Moknach, L., Grundy, T., Yates, M., Thomas, K., Wong, K., University of Washington Medical Center, Seattle, WA
14. **The Relationship Between Weighted Blankets and Sleep Patterns for the Neonatal Abstinence Syndrome Infant: A Pilot Study**
Puetz, C., Roehrig, N., Widden, C., Foreman, S., Thorngate, L., Swedish Medical Center, Seattle, WA
15. ~~**Improving Intake and Output Documentation in Acute Care**~~
~~Carmichael, L., University of Portland, Portland, OR~~ **WITHDRAWN**
16. **Line Labeling in Obstetrics**
Overman, S., Heibert, A., Nelson, K., Marshall, S., Karn, K., Marsh, M., Curran, D., Managan, B., Pang, L., Wissner, C., Fowler, S., Johnson, C., Swedish Medical Center First Hill, Seattle, WA
17. **Preventing Wrong Route Medication Errors through Standardization of Syringe Type**
Dimitroff, S., Ringer, C., Hagland, G., Seattle Children's Hospital, Seattle, WA
18. **IV Lab Draw Hemolysis Rates: Can We Get Better Than 3-5%?**
Thongchanh, S., Veterans' Affairs Hospital Puget Sound, Seattle, WA
19. **Real Time PICC Insertion Guidance, with ECG and Doppler Technology, is an Alternative to Post Insertion CXR Confirmation**
Santulli, P., Harborview Medical Center, Seattle, WA
20. **Evaluation of Central Line Blood Sampling Practices in a Medical-Surgical Intensive Care Unit**
Schilling, S., Bowman, A., Stevenson, E., Johnson, L., Pickett, J., Swedish Medical Center, Seattle, WA
21. **Serial EKG Study of Chest Pain Patients in the Providence St. Vincent Medical Center Emergency Department**
Schmedel W., Saint Francis Hospital Federal Way, WA, Gonzales D., Chandler R., Sandoval, N., Providence St. Vincent Medical Center, Portland, OR
22. **Glycemic Control in the CCU: Singing the Sugar Blues**
Crumly, L., Henshaw, C., Virginia Mason Medical Center, Seattle, WA

9TH ANNUAL SEATTLE NURSING RESEARCH CONFERENCE SCHEDULE OF POSTER SESSIONS

23. **Fall and Injury Prevention Strategies for the Inpatient Psychiatric Patient**
Perez, U., Lozada, L., Kessie, K., Pierre, L., Arias-Reynoso, M., Madigan Army Medical Center, Tacoma, WA
24. **An Innovative Approach to Caring for Suicidal Patients in a General Hospital**
Adam, J., Harborview Medical Center, Seattle, WA
25. **Hospital-wide Implementation of a Static Air Overlay for Pressure Ulcer Prevention**
Deyoe, D.S., Force, L.E., University of Washington, School of Nursing, Seattle, WA
26. **Development of a Policy and Procedure on Patient Initiated Digital Images of Wounds Utilized by Telephone Triage Nurses at the University of Washington Surgical Specialties Center**
Whitehead, S., University of Washington Medical Center
27. **Proposal of Change in Current Practice for Chest Tube Site Dressings**
Kloppel, K., Providence St. Peter, Olympia, WA
28. **An Evidenced-Based Protocol for Care of External Fixator Pin Sites**
1LT Hedin, H., 1LT Tomikawa, H., Hodge, N., Madigan Healthcare System, Tacoma, WA
29. **Post-pyloric Feeding Tube Placement by Critical Care Nurses: Research Findings Identify a Performance Improvement Target**
Tan-Winters, B., McCarthy, M., Madigan Healthcare System, Tacoma, WA
30. **A Delicate Balance: Balancing Patients' Pain While Avoiding Over Sedation Is A Skill**
Luu, L., Boniog, H., Macaraeg, C., Tale, M., Yamashiro, A., Harborview Medical Center, Seattle WA
31. **Tame the Pain: Maximizing Pain Relief in Post-Operative Mastectomy Patients**
Sprague, K., Warner-Murray, S., Johnson, L., Swedish Medical Center, Seattle, WA
32. **An Unwieldy Pain Policy Yields a Down to Earth Approach to Improve Documentation Compliance and Reduce Unintentional Consequences**
Novasio, C., Keefe, J., Cross L., Gucinski, A., Johnson, A., Swedish Medical Center, Seattle, WA

9TH ANNUAL SEATTLE NURSING RESEARCH CONFERENCE SCHEDULE OF POSTER SESSIONS

1400-1500 PM POSTER SESSION

33. **Transitioning Goals of Care: An End of Life Care in Critical Care Program**
Pullen, C., Boyd, L., Kummet, C., University of Washington Medical Center, Seattle, WA
34. **Endotracheal Tube and LMA Airway Cuff Pressure Measurements and Effects of Altitude During Air Medical Transports**
Richter-Juarez, C., Bauer, K., Davidson, L., Price, J., Airlift Northwest, Seattle, WA
35. **Use of Common Technology for Routine Outpatient Burn Care Management**
Miller, M., Cannon, C., Carrougher, C., Pham, T., Gibran, N., Harborview Medical Center, Seattle, WA
36. **Assessment of Accurate Blood Pressure Cuff Sizing in Perioperative Setting**
Sharpe, R., Thenutai, D., Gillis, V., Zimmerman, L., Salcido, A., Uhlenkott, G., Enright, E., Flores-Roberto, V., Tanaka, C., Pelletier, N., University of Washington Medical Center, Seattle, WA
37. **Improving Mobility in Hospitalized Patients**
Noeldner, J., Gordanier, C., Siegel, N., Virginia Mason Medical Center, Seattle, WA
38. **Promoting Early Mobility in High Acuity Patients**
Robertson, C., Damaso, M., Harborview Medical Center, Seattle, WA
39. **Mobility Does a Body Good: Breaking Barriers Using Language to Promote Early ICU Mobility**
Maissen, A., Liechty, M., Harborview Medical Center, Seattle, WA
40. **Does One Size Fit All? Using the ADDIE Model to Customize Team STEPPS Training for Perioperative Services**
Kelly, D., Virginia Mason Medical Center, Seattle, WA
41. **Exploration of Conflicts in the Healthcare: Perspectives of Opinion Leaders, Clinicians, and Patient Representatives**
Frans, E., Boyd, L., Shannon, S., Fehr, R., Wacker, M., Kim, S., University of Washington Medical Center, Seattle, WA
42. **What are Nurses' Perceptions of Nursing Research at a Magnet Facility?**
Probst, E., Chandler, R., Lorion, C., McClain, P., Records, S., Schmedel, W., Waldo, M., Providence St. Peter, Portland, OR
43. **A Recipe For Research: Introducing Research to Nurses**
Zeller, E., Chapman, R., Cannady, A., Cline, S., McWilliams, A., Culbert, S., Poage, C., Swartz, M., Providence St. Peter Hospital, Olympia, WA
44. **Advantages of Using the R Statistical Program for Multivariate Longitudinal Statistical Analysis in Nursing Research**
Schmedel, W., St. Francis, Federal Way, WA

9TH ANNUAL SEATTLE NURSING RESEARCH CONFERENCE SCHEDULE OF POSTER SESSIONS

45. **Motivators and Barriers to Acquiring a Baccalaureate in Nursing Science Degree Among RNs at Swedish Edmonds**
Shoup, A., Swedish Edmonds, Edmonds, WA
46. **Satisfaction and Retention of Registered Nurses on the Resource Team**
Majeed, L., Adams, S., Powers, M., Huston, K., Peterson, J., McMahon, D., Terrell, A., Wilson, M., Martin, L., Damman, J., McAllister, J., Sutanthavibul, P., Pinner, J., University of Washington Medical Center, Seattle, WA
47. **H2Home Pathway: Nurse Navigators Creating a Pathway for Homeless Hospitalized Patients to a Medical Home**
Heikkala, E., Sugg, N., Adler, K., Bray, J., Mahar, M., Harborview Medical Center, Seattle, WA
48. **Pediatric Call Center Nurse's Role in Prevention of Hospital Readmission**
Davis Kirsch, S., Wilson, L., Harkins, M., Albin, D., Seattle Children's Hospital, Seattle, WA
49. **The RN Telepresenter: Leveraging Nurses to Increase Access to Care**
Nims, P., Schlegel, S., Swedish Health Services, Seattle, WA
50. **Use of Standardized Telephone Triage Guidelines in Pediatric Specialty Care**
Davis Kirsch, S., Harkins, M., Seattle Children's Hospital, Seattle, WA
51. **The Impact of Pre-Procedure Phone Calls on Endoscopy Completion Rates at a Large, Public, Teaching Institution**
Artico-Carson, C., Dejneka, T., Pochepan, S., Patterson, M., Harborview Medical Center, Seattle, WA
52. **Discharge Calls in the Emergency Department**
Boyles, J., Bustamante, M., Butler, G., Cavanaugh, T., Connors, W., Gates, T., Rowan, K., Smith, A., Seattle, WA
53. **Improving Communication Between Team Members within an Ambulatory Nursing Infusion Center**
Onstot, L., Seattle Children's Hospital, Seattle, WA
54. **A Voice! Using Family Experience and Feedback to Improve Communication During a Varicella Event**
Sonoda, Z., Seattle Children's Hospital, Seattle, WA
55. **Improving RN Recognition and Recommendation for Septic Patients**
Siegel, N., Noeldner, J., Virginia Mason Medical Center, Seattle, WA
56. **Exploring Delays in the Transfer of Code Sepsis Patients from the Emergency Department to the Medical Cardiac Intensive Care Unit**
Fuller Switzer, D., Bridges, E., Whitney, J., Carlbom, D., Newcombe, A., Abdou, A., Ray, T., Harborview Medical Center, Seattle, WA

9TH ANNUAL SEATTLE NURSING RESEARCH CONFERENCE SCHEDULE OF POSTER SESSIONS

57. **Needs Assessment on Nurses' Knowledge with Cardiac Monitoring and EKG Interpretation**
Steffes, S., Greene, D., University of Washington School of Nursing & Valley Medical Center, Seattle, WA
58. **PEWS (Pediatric Early Warning Signs): An Assessment Tool Used to Limit Pediatric Code Blues Outside of the Pediatric ICU**
Blackburn, J., Roehrig, N., Swedish Medical Center, Seattle, WA
59. **Rapid Response Team Review: An Interdisciplinary Review, Evaluation, and Intervention**
Rassilyer-Bomers, R., Swedish Medical Center, Seattle, WA
60. **Sunny Days Ahead: Improving Code Blue Outcomes Through Simulation-Enhanced Education**
Anastas, Z., Eddy, J., Thingelstad, M., Providence Portland Medical Center, Portland, OR
61. **Enhancing the Virginia Mason Medical Center (VMMC) Inpatient Care Delivery Model by Improving RN/Patient Care Technician (PCT) Integration**
Hartman, D., Kirby, N., Kopf-Klakken, S., Virginia Mason Medical Center, Seattle, WA
62. **Easy as 1-2-3? Acuity-Based Staffing Model on a Pediatric/Mother Baby Unit**
Vaughan Stevens, M., Seltz, D., Schindler, E., Becerra, P., Hollerbach, P., Wiley, A., Valley Medical Center, Renton, WA
63. **UWMC Resource Team**
Powers, M., Fahey Huston, K., Peterson, J., University of Washington Medical Center, Seattle, WA
